

CMCA Meeting Minutes January 2016

Strategic Framework:

Thank you for your participation in the CMCA survey. The Survey is now closed and the results will be analyzed and will help in decisions that need to be made in our future strategic framework.

As the results become available they will be published on this website.

New Playground

The Community Association recently acquired a children's playground for the community. Stay tuned for more updates and opportunities on how you can help with the set-up. Meeting

Information Vandalism: Two incidences of vandalism have occurred lately. We felt that their should be a way to make the community aware of the vandalism and that a possible BlockWatch program be established.

Community Newsletter and Bill Board

CMCA Newsletter and Bill Board to be housed in the lodge. Two ways to better get information to the community along with the website and the links that are being established. Potlucks could be used for a short meeting to raise awareness of the community board of directors and some of the projects that are underway.

Community Building: Fraser will find out if the community association has the appropriate paperwork in place to apply for a Casino or other options to raise monies for this building. if monies were available CMR would discuss a formal site like the historical Ranch house site.

MD Firetruck and equipment.

Fraser had sent a letter to the MD inquiring about the used equipment and to discuss a plan for a fire at the hill. New motor and pump on the fire trailers needed.

Provincial Park :

Long Process ahead of us. Policing in the park will be a major undertaking.
