*Making a difference in our community
yesterday, today and tomorrow.*

Your Community Association takes initiative year round to add value to our community. These are some of the projects we can be proud of.

Past

- ◆ Our playground fundraising and installation
- ◆ Inaugural lighting of community Trees of Lights
- ◆ Fire prevention along the boundaries of our residential zones
- ◆ Community representation on many key issues in our larger community

Current

- ◆ Community trail improvements, cleaning and maintenance
- ◆ Expanding Trees of Lights to three different zones
- ◆ Facilitate a dust control program
- ◆ Current and future community social interaction and events
- ◆ Continued invasive weed eradication program with targeted application of herbicide
- ◆ Together with Pincher Creek, Emergency Services accessed grant funding to significantly expansion to firesmarting protection of the community
- ◆ Fire Prevention currently and in the future
- ◆ AB Parks Correspondence
- ◆ Social media engagement opportunities via the lifeline, instagram, facebook and email
- ◆ Communication with the community
- ◆ Advocating for our community via Chamber of Commerce and SW Alberta Rural Crime Watch
- ◆ Collaborative conversations with CMR regarding current and future village utilities, traffic, lighting, security, land use ownership and leasing
- ◆ High-level conversations with the MD about access to water, village land use and infrastructure

Future

- ◆ Further park spaces and community infrastructure
- ◆ Possible community hall, and skating rink
- ◆ Timely and involved relationships with surrounding communities, Parks, government and CMR sharing our goals, hopes and dreams as our community grows

Please help with your donations and engagement.
We are more capable together than the sum of our capabilities alone.
